Matt,

We have put together an initial draft of the presentation for the Alameda City Council meeting. The presentation still needs to go to the PR firm, PAO and then onto BRAC management but we wanted your initial feedback first. There are some placeholders, such the "work done by" slide which we plan to replace with a map. I would appreciate your close look at the history timeline, I wanted to show the timeframe for the Navy's radiological uses.

Thanks,
Cecily
